

SPORTS ELIGIBILITY

STUDENT INFORMATION

In order to play sports for your school, you must provide the following information to the school nurse:

- **A copy of a recent physical exam** - done within the last thirteen months and signed by your doctor. If you have not had an exam within the last thirteen months, please call your health care provider and schedule an appointment. Occasionally the school doctor comes to the school to do physical exams. These exams are reserved for those students who do not have their own doctor. If you have not had an exam in the last thirteen months and cannot get an exam, please see the nurse right away so that she can help you find a way to play.
- **A current MIAA Sports Medical Questionnaire** – filled out and signed by your parent/guardian.
- **An Athletic Permit Card** – filled out and signed by your parent/guardian.

These forms are available from your coach, the physical education teachers and the nurse. It is the responsibility of the student to submit all three of the forms together. **You will not be allowed to practice or play without this completed.**

The last day to submit the 3 completed forms to the school nurse is: _____

CROSS-COUNTRY – VOLLEYBALL – BASKETBALL – TRACK
